

4th January 2021

Important Update

As many of you will have seen tonight, the government has just announced a lockdown of all schools. This affects Reception to Year 6.

School will not be open for Reception, Year 1, 2, 3, 4, 5 or 6.

Nursery has not been affected and will continue to operate as normal.

Please note: The school remains open for the children of key workers and families in vulnerable circumstances. Please bring evidence of your key worker status to the school tomorrow and the school will be able to provide education on site. Families in vulnerable circumstances will be contacted by the school. If you think you may be one of these families and have not been contacted then please get in touch.

This means we will be moving to 'Remote Teaching' (teaching online). We will send further details tomorrow. Please be in contact if you will not be able to access online learning and we will do all we can to support you.

Whilst we are having to move so quickly, there will not be work set tomorrow (05/01) for children whilst teachers plan and arrange their lessons. Please keep an eye on your emails as important documents will be shared via ParentMail.

We intend for teachers to reach out to you every day so your child has regular contact with school and with their friends. Further details will be shared tomorrow.

Staff will be working tirelessly to make sure your children will get the best educational experience possible. We will be in regular contact with you and do all we can to support your families. The Prime Minister indicated that this is likely to last until the February half term however the school has not yet seen any confirmation of details. As soon as I receive these they will be shared with you all.

Thank you for your ongoing support during this time.

Very best wishes, stay safe.

Mr Bloomfield
Executive Principal
