

6<sup>th</sup> July 2021

Dear families,

I wanted to let you know that from September there will be a change of leadership at GYPA. Tom Burt will be acting Head of School. I will be working across a number of different schools, to improve their quality of education and make rapid progress, as has happened at GYPA over the last two years.

Many of you see far more of Mr Burt than you do of me, so operations at school will not change one bit. We will also share our new OFSTED reports with you soon, it shows that the quality of leadership at the school is not down to me, but is down to all the staff across the school doing an outstanding job.

I will be very sad to leave GYPA, it has made me very proud to see the children grow and develop as intelligent, confident young people. It has also been a pleasure to get to know each of you. We will share this news with children this week.

GYPA will be one of the schools that I continue to work with so you won't be rid of me completely!

Mr Burt is an exceptional leader and the progress of the school will continue. I can't wait for you to read the OFSTED report; it will blow you away. Much of it is down to his work. The school could not be in better hands.

I will see you around the school site over the next few days and I hope in the future too.

Very best wishes,

Mr P Bloomfield  
Executive Principal
