20<sup>th</sup> March 2020

Dear Parents and Carers,

As you will be aware we are closing our doors today until further notice.

We ask that you keep checking your emails as further information will follow. I appreciate this may make things difficult for families but please know that we will be here to support you. If you have any questions please do email the school on: **[office@gypa.org.uk](mailto:office@gypa.org.uk)**

We will continue to provide free school meals to eligible families. Packed lunches will be available for collection each day from the Barkis Road entrance. These can be picked up between 12:00-13:00 each school day.

We will also continue to provide work for your children. We will email parents when these are available.

The school will still be staffed during this time and we will be further supported by Damain Weare, an experienced Principal from the Inspiration Trust so there will always be senior staff on site throughout this time. My thanks goes to Damian and all colleagues across the Inspiration Trust during this time.

The school will remain open for certain families of key workers during this time. Please contact the school if you require this as we need to make sure we can safely staff the school.

We will be using email as our main communication method. Please check this and our website. Facebook will not be used to update staff.

I would also like to thank all staff and families for their support. We sincerely hope to welcome you all back soon.

Yours faithfully,

Mr Bloomfield  
Principal
