

1st February 2021

Dear families,

We have been advised by Public Health England that there has been a single confirmed case of COVID-19 with a child who was in school on Wednesday last week. We received this information today. We are continuing to monitor the situation and are working closely with Public Health England but we have no concerns at all.

This letter is to inform you of the current situation. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The small number of children and staff who have been in close contact with the individual who has tested positive for coronavirus (COVID-19) have received a letter informing them that their child must stay at home for 10 days.

The school remains open for key worker and vulnerable children, if your child already attends they should continue to attend as normal.

Thank you for your ongoing support.

Many thanks,

Mr Bloomfield
Executive Principal
