

3rd January 2021

Dear Parents and Carers,

I apologise for communicating so close to the start of term. You will be aware that the government has announced that all schools are to stay open, however some schools have been unable to do so due to staff not being available.

We are fortunate that the majority of our staff are able to work and therefore the school can be open, safely, to all children on Monday 4th January.

We will be constantly reviewing this and if anything were to change I would let you know immediately.

There have been lots of challenges for schools over the last week. I know that all schools in the community want the very best for children and are finding the best way of achieving this. All schools in the area benefit from your support, so I thank all parents on behalf of GYPA.

Further info:

- The school office remains closed to parents on Monday. Please communicate with the school via email.
- Reception parents - due to possible congestion during pickup can you please collect children at 2:20pm on Monday and then each day next week. Previous pickup times have led to too many parents crowding and a more staggered time is needed to alleviate this. Thank you for your support.

Kind regards,

Mr Bloomfield
Executive Principal
