

23<sup>rd</sup> February 2021

Dear families,

I hope this finds you all well.

The government has announced that schools will welcome back all students from Monday 8th March. We are therefore pleased to let you know that this means your child can return to school from 8:30 on this day using their year group gate. We will email further information regarding the school day at the beginning of next week.

We are extremely proud of how well our students have done at their online learning over the past half-term, and would like to thank you once again for your support with this. Our remote education will continue until your child returns to school on 8th March.

We have been regularly reviewing our Covid-19 safety plans to make sure our school site is as safe as possible. This includes the installation of hand sanitiser stations, encouraging regular hand washing and reducing the need to move around the school site. We will also continue to teach children in bubbles and stagger break/lunch times. We would like to reassure our families that the safety of your child remains our top priority.

Please do pass on to your child how impressed we all are with their dedication over this difficult period of school closure, and how excited their teachers are to see them back in two weeks' time.

Best wishes,

Mr Bloomfield  
Executive Principal
