

11th December 2020

Dear families,

I am pleased to announce the Inspiration Trust's Virtual Christmas Carol Service, is now available for you to access via the Inspiration Trust website:

<https://www.inspirationtrust.org/58/news/post/118/watch-our-talented-family-of-schools-perform-in-our-first-online-carol-service>

Traditionally, each school has taken a small ensemble of children to perform on the stage at St Andrew's Hall in Norwich. This year, we have recorded as many classes as possible singing as part of a 'mass chorus' of children's voices. Due to the logistics and timings of camera shots, the music department cannot guarantee every child/class has a close up on camera. However, rest assured, we have recorded their voices and they will be in unison with the over 100 different children from across our network of trust schools. Have a listen and see if you can hear your child's voice!

You will be aware that COVID cases are still high in Yarmouth so please remain vigilant and make sure you are adhering to all government guidance. We have been placed in Tier 2 under the new guidance and we must always take care.

Thank you once again for your continued feedback and communication with the school.

Finally, here are some reminders for all families:

- All families must follow the national COVID-19 guidance that can be found here:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

- If you have symptoms of COVID-19:
 - a new continuous cough
 - a high temperature
 - a loss of, or change in, your normal sense of taste or smell (anosmia)

The household needs to isolate and seek a test immediately. The school must be informed of this action and outcome.

We look forward to seeing you soon,

Best wishes,
Mr Bloomfield
Executive Principal
