

12th February 2021

Dear families,

A half term like no other!

Firstly, I would like to thank and congratulate each one of you. Your resilience with home teaching has been remarkable. It's brilliant to see and hear so many pupils proudly sharing their work on the live assemblies. It's credit to your continued effort and patience at home.

Next week is half term and I highly recommend that you take some time to relax and enjoy time with the family. The teachers have attached some activities to this email and to their Google Classrooms. These are optional and aim to help keep the little ones occupied over the break.

If you have any worries about what to do over half term, or if you are struggling at home with anything please do contact the school and we will do all we can to support you and your family. Use the "Support needed" email and we will get in touch with you.

I'd like to finish by saying thank you again. This is an unprecedented time that has been quite scary and unfamiliar to us all. As I'm sure that we are all keen to return back to some sort of normality. I think it's important to look at the positives from experience. I truly believe, through your and the teachers hard work, the school is more connected and in touch with the community than ever before. I am excited to see how this progresses in the future.

I hope this finds you all safe and well and I wish you all a very happy break. I look forward to seeing you back online on Monday 22nd February.

Yours faithfully,

Mr. Burt  
Vice Principal
