

2nd October 2020

Dear Families,

I hope this finds you all well and having had a lovely week. In school this week we are delighted to have appointed our school captains and a Year 6 leadership team! They will all be coming up with ideas to further improve the school. It is great to have had so many children keen to be leaders. Please congratulate them, I know their families will be very proud.

Thank you once again for your continued feedback and communication with the school. As ever can I please ask that you keep an eye on ParentMail as this is how all key communication is shared.

You may have seen the 'Hands, Face, Space' adverts from the government. Please can I ask that all families follow this COVID guidance when collecting/dropping off children. Please social distance from others and I would encourage mask wearing where social distancing is difficult.

Here are some reminders for all families:

- All families must follow the national COVID-19 guidance that can be found here:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

- If you have symptoms of COVID-19:
 - a new continuous cough
 - a high temperature
 - a loss of, or change in, your normal sense of taste or smell (anosmia)

The household needs to isolate and seek a test immediately. The school must be informed of this action and outcome.

We look forward to seeing you all back on Monday,

Best wishes,

Mr Bloomfield
Executive Principal
