

6th November 2020

Dear families,

Thank you all for your support this week. The return to school has been really positive for children and I am delighted that we are able to remain open to support learning.

Additional thanks go to parents wearing masks at drop off and pickup to further reduce risks. Also for staggering pick up and drop off times so to avoid potential crowds. Please can you all remember to use social distancing during these times too.

The school office will not be open for parents during this new lockdown but please do email or call if you need anything at all.

You will be aware that COVID cases are still high in Yarmouth so please remain vigilant and make sure you are adhering to all government guidance.

Thank you once again for your continued feedback and communication with the school.

Here are some reminders for all families:

- All families must follow the national COVID-19 guidance if you think you have symptoms. This can be found here:
- <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>
- If you have symptoms of COVID-19 such as a new continuous cough; a high temperature; a loss of, or change in, your normal sense of taste or smell (anosmia)

The household needs to isolate and seek a test immediately. The school must be informed of this action and the outcome.

We look forward to seeing you all back on Monday.

Best wishes,

Mr Bloomfield
Executive Principal
