

28th May 2021

Dear families,

As I write this letter the sun is shining outside and I hope it stays that way for the half term break!

I would like to thank you all for your support this term and look forward to welcoming you all back on Monday 7th June. After the school closures this year it is vital that children are in school as much as possible so thank you in advance for doing all you can to ensure that your children are in school every day.

The newsletter was sent out this week so please do take a look to see some of the things children have been doing in their classes this term and some lovely comments from teachers.

Return to school - Monday 7th June

Reports

We will be sending home thorough written reports to all families after half-term updating you on your child's progress and well-being in school this year. As ever please do speak to teachers on the gates if you would like further information on how your child is getting on.

Y6 SATS

Year 6 children have some homework to complete over half term to prepare them for their SATS. Please support them to complete this. 20 minutes a day of practice to make sure that knowledge sticks in their memory.

Our SATS tests will take place from 21st June. Best of luck to all children taking part.

COVID-19

As ever, the government recommends we continue to follow guidelines to ensure there is no spike or surge. Please read this guidance: <https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

Yours faithfully,

Mr. Bloomfield
Executive Principal
