

5th March 2021

Dear families,

We can't wait to welcome everyone back this Monday. It seems like distant memory since the morning routine and we wanted to help with a school checklist:

- Coat
- Bottle of water
- Borrowed equipment - laptops, electronics, classroom resources
- Reading records
- Book bags (KS1)
- Lunch boxes (if home packed lunch)

Reception

- Welly boots
- Change of clothes

We ask that on the days children have PE, could you ensure that your child attends school in their full PE kit.

We continue to ask you to wear masks during drop off and pick up times. Please also do not crowd the areas, use the other side of the pavement if you are waiting and remember to keep your distance from one another

Finally, I'd like to thank you all for your help during this time. It's certainly not easy juggling being a parent and a teacher. As I'm sure lots of you are excited to say goodbye to this time, it is important to reflect on the positives. You've done remarkably well helping your children learn at home. It's fantastic to hear the teachers speak about your support and hard work, this time has definitely brought the school and community closer together.

I look forward to seeing you all at 8:30am on Monday. Make sure you have a good breakfast because brains are going to be working hard.

Yours sincerely,
Tom Burt
Vice Principal

Below is the Government Guidance. Please read it and follow all the advice:
