

11th June 2021

Dear families,

We have had OFSTED this week and I am delighted to say that it went very well. We have to wait a few weeks before the report is published but I can't wait to share it with you.

Thank you to all parents who provided feedback to OFSTED and for all your support during this time.

Sun Hats and Sun Protection

With the sun coming out please make sure that sun cream is applied in the morning. Please also provide sun hats on hot days to make sure children are fully protected during playtime/outdoor learning.

If you would like any support or any advice please do just get in touch with the school.

Trips

Our reception classes have been on a farm visit this week and it was absolutely lovely! They were feeding animals and learning about the environment. We will share pictures when we have them all back. Other trips will be taking place soon too. It is brilliant that we are able to do this again now. Please keep an eye on ParentMail for information and for the link to contribute to costs.

We want every child to attend the trips so if finances are tight and you require some help to make the contribution please do just get in touch and we will do all we can to help.

Reports

We will be sending home thorough written reports to all families before the summer, updating you on your child's progress and well being in school this year. As ever please do speak to teachers on the gates if you would like further information on how your child is getting on.

Y6 SATS

Our SATS tests will take place from 21st June. Best of luck to all children taking part.

COVID-19

As ever, the government recommends we continue to follow guidelines to ensure there is no spike or surge. Please read this guidance: <https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

Yours faithfully,
Mr. Bloomfield
Executive Principal
