

18th June 2021

Dear families,

So much for requiring sun hats at school! I hope the weather improves over the weekend and all families can enjoy some time together. I hope to watch a lot of the football and spend time with my family too.

We have had another lovely week. I hope we will have an OFSTED report to share with you soon too. Next week is a huge week for Year 6. They have been working so hard for their SATS test. Although these tests will not be shared with the government, they are vital results that will be shared with high schools. We wish those children in Year 6 the very best of luck.

Y6 SATS

Our SATS tests will take place from 21st June.

Thanks to B&Q!

Our thanks go to the local B&Q for donating items to our early years team to help them learn about the environment and their responsibility to take care of nature!

Thank you to the staff team for all their work to make this happen.

Trips

Our Reception classes loved their farm trips last week.

It is brilliant that we are able to do this again now. Please keep an eye on ParentMail for information and for the link to contribute to costs. We aim to be a 'cashless payment' school so if you require any support with setting this up on ParentMail please do contact the office.

We want every child to attend the trips so if finances are tight and you require some help to make the contribution please do just get in touch and we will do all we can to help.

Reports & transition into next year

In July we will be having an afternoon in which children will meet their new teachers and new classrooms. Further details will be shared in July. Reports will also be going home sharing progress this year. I hope that next year parents will be able to join us in school for assemblies and to look at the work children are completing and progress they are making.

Food bank

At GYPA we are able to provide food bank support for any families that may need this. Please contact Eurl Gray-Read or Tina Yaxley if we can help at all. Alternatively, please email office@gypa.org.uk with 'Support needed' in the title bar.

COVID-19

As ever, the government recommends we continue to follow guidelines to ensure there is no spike or surge. Please read this guidance: <https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

Yours faithfully,

Mr. Bloomfield
Executive Principal
