

19th March 2021

Dear families,

It has been another lovely week. We have been testing several year groups to identify any learning gaps following lockdown and teachers will be working with the information revealed to make sure every child catches up and nobody misses out on any learning.

To do this it is essential that all children are in school. They have missed too much face to face teaching and we must work together to make sure they miss no more.

We follow all the government guidelines precisely and we currently have had no positive Covid 19 tests reported to school. We want to make sure that every child is learning brilliantly in the safest environment possible. Please do all you can to make sure that your children are here every day. It makes a huge difference.

Red Nose Day - Friday 19th March

Today was great fun. Thank you all for participating and for encouraging children to get involved. We will share pictures here and on display in school soon.

Free Easter Activity Packs and Food Kits

If you are eligible for Free School Meals, please complete this survey from Norfolk County Council to receive free food kits and activity packs for children over the Easter break:

https://www.smartsurvey.co.uk/s/POnorfolk/?fbclid=IwAR0TxvENjclp-OznhlRK5g3TO_OoT86rltc9-5u02XB0cjuI70DZaI3VtjU

Please speak to the team at school if you require any support with this.

COVID Update

The numbers are falling significantly in Yarmouth and it is great to see so many people queuing to get their vaccinations in the town.

Despite this, the government recommends we continue to follow guidelines to ensure there is no spike or surge. As ever, please follow the all guidelines: <https://www.gov.uk/guidance/national-lockdown-stay-at-home>

I hope this finds you all safe and well and I wish you all a very happy weekend. I look forward to seeing you on Monday.

Yours faithfully,

Mr. Bloomfield
Executive Principal
